GDI Installed : Yes MS-Office : 2000 or Above Anti-Virus Status : Yes Resolution : 1024 By 768

Operating Systems

Desktops / Laptops/ IPads: Windows 7, 10

Servers: windows 2012/2014/2016/2019

Prerequisite:

Database

- Microsoft SQL Server
 - SQL Server needs to be installed prior to installing this application

- Either full versions or free express editions available from Microsoft website will work.
- Click on the links below to download the free Express Editions from the Microsoft Website.

We recommend installing SQL Server 2014, however, Netripples Software will work on previous versions as well.

Depending on your system architecture, please click on ONE of the links below to download for either x32bit or x64bit Windows.

To find your system architecture:

- 1. Right Click on **Computer** (Win7) or **This PC** (Win10) and select **Properties**.
- 2. Under **System**, the **System Type** will be mentioned as either 32-bit Operating System or 64-bit Operating System.

Microsoft SQL Server 2014	x32	https://download.microsoft.com/download/E/A/E/EAE6F 7FC-767A-4038-A954- 49B8B05D04EB/ExpressAndTools%2032BIT/SQLEXPRWT x86_ENU.exe
Microsoft SQL Server 2014	x64	https://download.microsoft.com/download/E/A/E/EAE6F 7FC-767A-4038-A954- 49B8B05D04EB/ExpressAndTools%2064BIT/SQLEXPRWT x64_ENU.exe
Microsoft SQL Server 2017	x32 & x64	https://go.microsoft.com/fwlink/?linkid=853017 https://go.microsoft.com/fwlink/?linkid=875802

(NOTE: For Microsoft SQL Server 2017 download both links.)

(NOTE: Full versions are required and preferable for LAN and multiple systems usage and can be purchased online from Microsoft or any other online sites or purchase from local dealers nearby.)

STEP 1:

Delivery by Download Link

If you purchased this software from <u>www.netripples.com</u> web store, you will have received an email to your registered email address with your Product Key and a link to <u>Download</u> the software. The download option is also available after payment has completed successfully. If you have already downloaded the software, please proceed to the next steps.

Physical delivery in CD/DVD or Pen/Flash drive mode:

In case you had the software delivered to your address via CD/DVD from any of the online stores – Amazon, Snap deal or Flipkart. You will find the Product License key in the text document along with the WinRAR file.

STEP 2:

Database Installation:

Once the download is complete, extract the RAR file as shown in the screenshot.

An installation guide is provided in the RAR file to help in installing Microsoft SQL Server. Follow the instructions to install your chosen version of SQL Server.

Installing Netripples Multi Store Pharmacy:

Once the database has been installed successfully, run the Netripples Multi Store Pharmacy Setup file from the downloaded RAR archive by doubleclicking on it.

Netripples Multi Store Pharmacy - Application S	ietup 🛛 🕅
Pharmacy Multistere	141 C 141
Click Install to begin the installation.	
Click Cancel to exit the wizard.	
InstallShield	
	< Back Install Cancel

Click on Install to begin the installation

Depending on the speed of your system, the installation may take up to 10 minutes to complete.
